A/V Dual Component Wall Shelves

Double shelf with cable management

Part No.: 460767

When floor space is limited or adding furniture is impractical, Manhattan A/V Dual Component Wall Shelves attach underneath or near wall-mounted flat-panel TVs to neatly organize and arrange multimedia components. Constructed of lightweight, durable aluminum materials and shatter-resistant tempered glass, Manhattan A/V Dual Component Wall Shelves save space and safely hold DVD and Blu-ray players, receivers, set-top cable or satellite boxes, game consoles and more in contemporary style. Internal cable management with open architecture helps conceal unsightly cords and connections for a professional, finished appearance without restricting airflow to sensitive equipment. Ideal for residential, office, classroom, conference room and other installations, Manhattan A/V Dual Component Wall Shelves bring convenient access and modern design front and center.

Features:

- Securely holds a DVD/Blu-ray player, receiver, set-top box, game console and more
- Modern tempered-glass design directly mounts on a wall under flat-panel TVs
- Durable aluminum construction with cable management
- Supports most components up to 8 kg (17.6 lbs.) per shelf
- Easy installation ideal for home, office and commercial applications
- Lifetime Warranty
